Here at Swindon Advocacy Movement we gather the views of our clients on a daily basis. We analyse data to highlight areas of concern and to spot gaps in service.

We are very proud to announce that Swindon Advocacy Movement has been successful in it's bid to work with the Henry Smith Foundation; we look forward to providing advocacy and to enabling those living with a learning disability or autism in Swindon to self advocate, have their voice heard and and to access services that they need.

“Henry Smith is an independent grant making trust. We aim to use our resources to help people and communities at a time of need and to bring about positive change.”

Our grant holders are at the core of our mission and work. For us, achieving results depends on their work and, as a grant making trust, we can only be as effective as the organisations that we fund. Henry Smith Foundation
